

Platinum

*The luxury design high quality
Platinum mattress is the best choice to reach the Top*

The rich layer of natural components to offer unique comfort. The fabulous woven cover is soft and smooth to ensure a pleasant and cozy atmosphere. The process of the Platinum is made with utmost care. Hand tufted padding layer of cotton and wool to feel the nature during the sleep. The handles of the mattress cover are designed to minimize topper from moving during the sleep.

You can find all lux in one mattress. Platinum's rich layer is supported with the perfect double pocket spring system construction to give the true deep support of the body. The unique spring put each in separate fabric bag and boned together to ensure an optimal sleep comfort and to make sure your sleep will not be disturbed. The special fillings allow the mattress a good air circulation to keep mattress always fresh.

Platinum Topper

Elegance and comfort of the palaces

Increase your comfort after a long day by adding a mattress topper to relax and renew your sleep. For the Platinum mattress we developed an amazing handcrafted platinum topper made of natural materials to provide extra comfort and support. The luxury design of the Topper will compliment any room of your choice. The smart topper handles are easy to fix the topper on the mattress to make sure the topper does not slip down. Feel the power of the nature with camelhair, wool and cotton to enjoy the best sleep you have ever experienced. Mattress toppers add warmth and insulation to give you the supply and enjoyable feeling while you sleep. The perfect woven fabric gives the topper an extra touch to feel softness - like you are on a cloud.
